We kindly invite you to join us for an inspiring day of creativity and collaboration at Innovation Day Ljubljana, organized by SRIP Factories of the Future from Jožef Stefan Institute. This year, we are partnering with SRIP Smart Cities and Communities, SRIP Health – Medicine, EIT Manufacturing, EIT Health and SPIRIT Slovenia to bring you an event focused on advanced manufacturing technologies for smart cities and community health.

Network with industry leaders, enjoy insightful keynote presentations, and participate in engaging round tables. Whether you're an experienced professional or an aspiring entrepreneur, this event is the perfect place to explore new ideas and drive innovation. Don't miss the opportunity to be part of something extraordinary.

Asst. Prof. Dr. Igor Kovač, *Director, SRIP Factories of the Future*

Matjaž Logar, *Director, SRIP Smart Cities and Communities*

Dr. Alenka Rožaj Brvar, *Director, SRIP Health - Medicine*

Johannes Hunschofsky, *Managing Director, EIT Manufacturing East*

Dr. Astrid Kaltenböck, *appointed Managing Director, EIT Health Germany-Switzerland*
